PREPARATION

What to Expect

For Blood Tests

- Fast for 10 hours before appointment time. Water is allowed.
- Do not take diabetes medication including insulin on the day of your appointment. Bring it with you instead.
- All other medications can be taken on the day of appointment.

For Stool Test

- 2 containers will be provided on the day of appointment for sample collection with instructions given.

X-ray (If Applicable)

- Avoid X-ray if pregnant or within 6 months of similar X-ray.

For Women

- Schedule the appointment 4 to 7 days after the last day of your menstrual cycle.

Doctor's Consultation

- A second appointment for review of tests results would be scheduled at about 2 weeks' time.

What to Bring

- Work Pass
- Previous medical report(s) and laboratory result(s)
- List of current medication(s)
- Glasses or contact lens for vision check

Payment Information

Self-pay by NETS, PayNow or Cash.

Additional charges apply for any add-on tests and medications.

Note:

Enhanced Health Screening (EHS) is not covered under Primary Care Plan (PCP).

EHS test components are beyond the Basic Health Screening (BHS) covered under PCP.
