“ Together with like-minded colleagues,
we strive to make an impact on the
lives of our patients, honoring and
empowering them to continue living
dignified lives in their senior years. ”

Dr Edward Goh
Head
Inpatient Rehabilitation Services

“ I joined SACH with the aspiration to promote the philosophy of hospice care through caring for seniors in their homes. It has been fulfilling being a channel of God's love, transforming the tears of sorrow of patients and their families into tears of joy amidst the darkness of suffering and death. ”
